

'round town

with Betty Allen...

Mrs. Dorothy Cabral of Sunny-side Ave., received a pleasant surprise when she opened Look Magazine this week. Her brother, Alberto Feliciano, is shown in full color dancing in "Call Me Mister." The amazing photographs demonstrate Prof. Harold E. Edgerton's new technique of freezing action in colors. The dancers, including Feliciano, are shown in breath-taking poses high above the floor. Mrs. Cabral's brother is a member of the cast of the popular ex-G.I. musical show which is now touring the country after 15 successful weeks in Boston.

In these times when humanity seems to need so much real wisdom and deep thinking, the campaign of Mr. Hearst's newspapers against vivisection seems a little maudlin and sentimental. It's a sad travesty on the state of the world if a chain of newspapers can think of no greater issue.

To my inexperienced eye the post office looks almost complete and Mr. Grim says it can't be much longer before the big move is made.

Hear the High School senior ball was a big success. It was held in the Women's Club in San Jose and there were almost as many faculty members present as students.

Campbell dog raisers did all right for themselves in last week-end's dog show. Dr. Gabe Long's retriever, Golden Knight's Duke, was a winner in the best of breeds, and Mr. and Mrs. H. J. Quetin were two-time winners with their Briards, Timothy Du Grand Coudray and Maida.

After intending to do so for a long time, I finally went into the Campbell Packing Co. to watch them dehydrate potatoes. If I'd known it was so interesting I would have gone a long time ago.

The whole process which seems so quick and so rapid is really an amazing combination of ingenious machinery and skillful labor. The potatoes are dumped from their sacks into a caustic solution which loosens the skins and then into the peeler. From the peeler they go on a belt past fast-working women who remove the stubborn eyes. Then into the dicer and into a vat which cooks them in what seems a matter of seconds.

The cooked, diced potatoes are ready then for the tunnels which is the trickiest part of the process. They are laid on large trays and put into the tunnel where the heat must be just right and the trays left for just the proper time. When they are brought out, the potatoes are a hard, crisp bit of substance.

Once more the potatoes pass on a belt before experienced workers who pick out any imperfections before they go into large cans. The cans are then sealed and packed in wooden boxes which are made on the premises.

Most of the products dehydrated here during the war went to feed the Armed Services and now they are going to the impoverished countries made hungry by years of war.

May-December Marriage Annulled

The much-publicized "May and December" marriage performed by Judge John Blaine in Campbell on Sept. 15, 1946, has ended in an annulment.

Eighty-four-year-old Benjamin F. Harris received the annulment of his marriage to 19-year-old Oneida Stallings Harris on grounds that she married him only so he could provide a home for her aunt and uncle.

As soon as the couple left Campbell after their marriage, Harris asserted that his youthful bride would have nothing to do with him but ensconced her aunt and uncle in one of the cabins in his auto court and moved in with them. He further claimed that the trio took over the management of the establishment and kept half of the proceeds.

The annulment was granted in Superior Judge M. G. Del Mutolo's court.

Musicians to Enter State Contest

On May 3 members of Campbell Union High School choir will journey to Stockton to enter the State Choir Festival.

This is an annual affair sponsored by the California School Band, Orchestra and Choral Association and will be held at the College of the Pacific in Stockton. More than 5000 students from all over California will participate.

The local contestants will be accompanied by Frank Triena, musical director at the high school.

Campbell High School Students Address Club

Representatives of Abraham Lincoln and Campbell High schools appeared at the meeting last week of the Soroptimist club to explain the organization, activities and purposes of the Hi-Spot, recreational center for high school students.

Speakers were Bobbie Clark of Lincoln and Ron LaMar of Campbell. Members of the governing council of the center, they said, included delegates from all schools participating in the organization, Lincoln, San Jose and Technical High Schools, Campbell Union High and Bellarmine Preparatory College.

John M. O'Keefe addressed the club on Santa Clara County's need for expanding hospital services.

Orchard City Grange Notes

Worthy Master Herbert Shadle presided at the Tuesday evening meeting of Orchard City Grange. Three candidates, Laurance Hill, Elda Beth Hill and Clara B. Baldwin, were obligated in the first and second degrees by Ernest Conrad.

During the business meeting, which followed, three bills were opposed, AB2082, AB2081 and AB 2080. These bills would divert money from County Fairs to state built farm centers.

During the Lecturer's hour, Mrs. Nellie Rutherford presented instrumental and vocal numbers.

The Mount Hamilton degree team will initiate a class in the third and fourth degrees at the next regular meeting, May 13. Refreshments were served in the banquet room under the direction of Mrs. Katherine Shadle, home economics chairman.

TO START SHOP

Mr. and Mrs. L. "Dad" Lee have moved to 58 S. Third street where "Dad" expects to operate his shop soon.

Bucs Sweep Los Gatos Track Meet

By sweeping all four divisions against Los Gatos last Friday, Campbell High's track squads have established themselves as the teams to beat in both varsity and 120 divisions and are also rated highly in the 130 and 110 divisions.

In dual meet competition to date the varsity and the 120's are leading the league with three wins and no losses. The "B" and "D" squads both have a 2-1 record.

In the varsity affair with the 'Cats, the Bucs had a close call, but by winning the relay, won the meet 64-58. Campbell showed good strength in the running events but were outclassed in the field meets.

Outstanding mark of the day came in the 440 yard dash as Hal Orcutt breezed through the quarter mile in 52.9, the biggest upset of the day came in the mile run when Berger, Pankoski and Duarte swept the event in that order. The favorite, Darnell of Los Gatos, pulled in a bad fifth.

The "B" event was also close. The relay decided this class also and the score ended 60-53 for the Bucs. Giovannetti copped both the sprints, York took the broad jump and hop-step-jump, and Williamson high jumped 5 ft. 5 in. and pole vaulted 9 ft. 7 in. Lloyd of Los Gatos tossed the discus 116 feet 10 inches for the outstanding '30 mark.

Campbell's terrific 120 team easily won, 66-28, while the local "D's" took their opponents 61-25. Maxwell Hull took the 120 low hurdles in a record breaking time of 141 to spark the locals to victory.

Varsity Results

Mile run—Berger (C), Pankoski (C), Duarte (C). Time 5:00.8.

100 yard dash—Paneghetti (L. G.), Wilson (C), Glew (C); 10.6.

440—Orcutt (C), Fagade (C), Fisher (C); 52.9.

120 high hurdles—Short (LG), Richardson (C), Brown (C); 18.8.

220—Glew (C), Sylva (C), Wilson (C); 24.4.

200 low hurdles—Richardson (C) Whitworth (C), Fortson (L G); 25.6.

880—Callaghan (LG), Bredemier (LG), Estrada (C); 2:10.4.

Shot—Alsop (LG), Wall (LG), Dayton (C); 40' 10".

Hop-step-jump—Callaghan (L G), Short (LG), Voshall (LG); 40 ft. 10 in.

High jump—Tie for 1st Callaghan and Saylor (LG); Buck (C); 5' 7".

Pole vault—Saylor (LG), Merrill (C) and Short (LG) tie, 10 ft.

Discus—Barbaccia (C), Alsop (LG), Dayton (C); 107' 2".

Broad jump—Buck (C), Voshall (LG), Jordan (LG); 19' 7".

880 Relay—Won by Campbell (Glew, Buck, Sylva, Orcutt); 1:37.5.

Keys for the Problems of Peace

Tuning up the machinery in preparation for the proposed special session of the United Nations General Assembly on the problem of Palestine, this repairman adjusts one of U.N.'s several thousand typewriters which are equipped with nine different kinds of keyboards to handle various languages. The special session of the Assembly was proposed by the United Kingdom. U. N.'s 55 member nations are now being polled on whether the session should be held.

GENERAL GUILD TO MEET

The regular meeting of the General Guild of Campbell Congregational church will be held Thursday afternoon, May 1, at 2 o'clock at the church parlors.

Guest speaker of the day will be Mrs. H. B. Williams, president, Federated Congregational Women of Northern California.

Group No. 1 of the Woman's Guild will be in charge with Mrs. Howard Smith chairman of the day.

SCHOOL NAMES TO BE CONSIDERED TONIGHT

A committee named by the Campbell school board to select names for the two new grammar schools soon to be constructed will meet tonight at the Grammar school to consider the names suggested. On the committee are W. R. Porter, Walter Williams, Herbert Shadle, Mrs. Anna Pfeiffer, Miss Dorothy Merriman and William Henley.

Baseball Games Set For Saturday

Seventy-five boys, ranging in age from 8 to 15, expressed enthusiastic approval of the baseball clinic held last Saturday at the high school.

Coach Cassalegio and a number of high school players gave the group some valuable help in the fundamentals, throwing, catching and hitting.

Two leagues have been organized from the large number that turned out. The Junior League, made up mostly of 7th and 8th grade boys from the high school district, is composed of the following teams: Gilpatrick and Standish; Farley Real Estate; Hodges

Meat Market; Cambrian Hardware; Campbell Taxi; and Jones Service Station.

Next Saturday will see the first games played with the teams tangling as follows:

9 a.m. Gilpatrick and Standish vs. Hodges Market.

10 a.m. Cambrian Hardware vs. Campbell Taxi.

11 a.m. Farley Real Estate vs. Jones Service.

In addition to these teams there were enough 8, 9 and 10 year olds to organize four teams. Details on this younger group will be worked out this week and play for them will start next Saturday.

Cancer Drive Progresses

The American Cancer Society's Santa Clara campaign has become one of the greatest public health education project ever undertaken here, according to Mr. M. R. Bookwalter, county chairman of the campaign.

Mr. Bookwalter said our area shows that the figures are 1 in 8 persons died from cancer in 1946 which corresponds with the national average.

"One third of these persons died needlessly," said Mr. Bookwalter "because medical experts now know that one cancer death in three can be prevented if the presence of cancer is detected early and treated promptly."

"That is why every solicitation for funds in the present drive is being accompanied by medically approved information listing the danger signals of cancer and telling the public what to do about it when such signs appear. Through this means we feel certain that our campaign will result in direct saving of lives, in addition to providing funds to carry on the American Cancer Society's continuing fight against this dread disease."

Mr. Bookwalter said that contributions for the funds in this county may be made to solicitors in the individual communities or sent direct to County Campaign Headquarters at 246 South First St., San Jose, California. Where there are community quotas, contributions received at county headquarters will be credited to the communities from which they are sent. Checks should be made payable to American Cancer Society.

Campbell Water Company Expands

Ralph Hyde, vice-president of the Campbell Water Co., this week announced the purchase of the Cisternino Water Co. for an undisclosed figure. Former owners of the newly-purchased company are Frank and Hazel Cisternino, who operate the Cisternino Pump Co. on Winchester Road.

The new line begins at the corner of Payne and Winchester and runs to the corner of Phelps and Winchester, making a total of 3300 feet.

A six inch line will immediately be laid from the present end of the Campbell Water Co. at East Rosemary and Winchester Road to join the new addition at Payne and Winchester. At present the Cisternino Co. has been serving 12 consumers.

Hyde announced that new meters will be placed on the line as soon as the pipe is laid.

The transaction was handled for the Campbell Water Co. by Richard Morton, Atty.

Fields Addresses Kiwanis Club

Ralph Fields, soon to be State Curriculum Director for public schools, was the guest speaker at Tuesday's Kiwanis luncheon. He chose for his topic "Building America" textbooks which he defended heartily to the group.

Laurance Hill was chairman of the day and guests included Herb Erickson of San Jose, Joe Sober of Los Gatos, Earl Crandall of

Campbell Schools To Observe Public School Week

Starting Monday, next week will see the 28th observance of California Public Schools Week. All over California the public schools will provide educational programs to acquaint the public with their programs.

At Campbell Union High School, three separate events will mark the week. On Wednesday, May 30, there will be a dual track meet

between Santa Clara High School and Campbell. It will begin at 3:10 p.m. and interest is expected to be keen since Campbell is now at the top of the Valley meets. In the 1930s, the local school has won two and lost one; in the 1920s it has won three and lost none, while in the 1910s two have been won and one lost.

The following evening, Thursday, May 1, parents will "attend school" in the evening following the program of their children and attending ten minute classes. Also on the agenda is a high school assembly during the "school day" at which time the girls' physical education department will demonstrate folk dancing and tumbling. Another important part of the unusual evening will be the serving of refreshments in the new cafeteria.

On Friday, May 2, the newly formed High School Cadet Corps will hold its first review on the high school grounds at 11 a.m. Members of the U. S. army, the National Guard and officers of the State Cadet Corps will be on hand to witness the 60 boys in their first public exhibition.

At Campbell Grammar school Public School Week will be observed with a special program in the school auditorium at 10 a.m. Wednesday, April 30. Included in the presentations will be selections by the school orchestra and glee club, a folk dance by the second grade, "Our Story of Africa" by the third grade, Songs of California by the fourth grade, a playlet and safety play by the fifth grade and a verse speaking choir given by the seventh grade.

Following the program, parents are invited to visit the classrooms and observe.

McMonigle Pleads For Habeas Writ

Thomas Henry McMonigle, convicted of killing Thora Chamberlain, Campbell Union High school girl, asked the United States District Court in San Francisco recently for a writ of habeas corpus.

McMonigle contended he was convicted on purely circumstantial evidence and that the Santa Cruz County Superior Court was dominated by a mob during his trial.

The Chamberlain girl, daughter of Mr. and Mrs. Frank E. Chamberlain, San Jose, disappeared late in 1945. Her body never was found, although McMonigle several times has led officers in searches for it. He is in San Quentin prison.

Bluebird Festival On Sunday

O. W. Campbell, city manager of San Jose, will crown the May Queen of the Santa Clara County Bluebird Festival to be held Sunday afternoon, April 27, at the Municipal Rose Gardens from 2 to 4 o'clock.

The proud little queen is Nyla Petite of Lowell school. Among her attendants are Marilyn Perata and Linda Addison.

Two hundred and fifty girls will join in this colorful Junior Camp Fire Girls event sponsored by the Santa Clara County Camp Fire Girls Council and the Guardians association. Mrs. Lucille Dreiss and Mrs. George Mather are co-chairmen of the event.

Campbell Bluebird groups participating are the Blue Fairies led by Mrs. D. L. Watts, the Fireflies directed by Mrs. C. David Baxter, and the Cambrian Bluebirds under Mrs. N. Randolph. The Hoover Jr. High School orchestra will provide the music.

The general public is invited to attend the Festival but spectators are warned to bring pillows and be prepared to sit on the lawn.

U.N. Facts and Faces BELGIUM

The Kingdom of Belgium is 11,775 square miles in area and has a population of some 8,386,000. The most densely populated country in Europe, Belgium uses two languages—French and Flemish. Belgium borders on the North Sea in the west, The Netherlands in the north, Germany and Luxembourg in the east and France in the south. Brussels is the capital of the Kingdom. Elected to a seat on the important United Nations Security Council for two years, Belgium is also a member of the U. N. Trusteeship Council as well as the U. N. General Assembly. She is represented at U. N. Headquarters by Fernand van Langenhove, who sits in sessions of the Security Council. Her flag has three equally-wide vertical stripes of black, yellow and red.

Annual County Fair Queen Is Selected At S.D.S.

He's a future winner... but pretty 19 year old Katie Dupont, San Diego State college co-ed, is already a winner, having been selected as queen over 1500 men of the all-male California Polytechnic College, San Luis Obispo, for their annual "country fair on a college campus," May 2 and 3. Because Cal Poly is non-coeducational, the students "bellow" a queen each year for their Poly Royal show

from one of California's coeducational colleges. Queen Katie will receive her crown at the Coronation Ball from last year's queen, Miss Patricia Munchoff, San Jose State college co-ed.

The colt, an off-spring of the imported Chilean stallion, Zuncho, and Bon Eva, a mare given to the college's Thoroughbred breeding unit by Bing Crosby, will someday be running on California tracks. Crosby was among the donors of the first six mares given to the college and four of Bon Eva's six progeny raised at the college's Thoroughbred unit are already running on California tracks. More than 20 yearlings have been raised and sold since the college began breeding Thoroughbreds in 1940.

Ex-GI Lone Male in Nursing Class

Even from his front row seat, Student Nurse John Malavear no doubt often finds it hard to concentrate on his studies. He's the only male in a class of 40. Malavear was a medical corpsman with the 36th Division and was wounded at Cassino while removing American casualties. Malavear is studying under educational benefits of Public Law 16.

PRAYER OF THANKSGIVING

Lord, make us worthy of this day,
This home, work, play, enough to eat,
The safety of our land, of every home,
The good will of neighbors, that we meet,
That we may say what'er we will,
And know that we are free
To worship God as seemeth best,
Without fear of tyranny.

Make our hearts thankful, Oh, dear God,
For trustful faith in children's eyes,
For peace, and rest and sacred homes,
Sanctuary, neath our peaceful skies.
Help us to share our peace, our love, our food,
For thy sweet sake, to share the load;
We thank thee for our sacred sod,
Make us deserve America, Dear God.

CLARA BEEBE BALDWIN

Campbell Court Notes

By Judge Blaine

The most frequent cause of traffic accidents on Campbell Avenue in or near the business section is misunderstanding the intention of the driver ahead.

Because the street is narrow the driver starting a U-turn swings to the right as though turning into the side street. He may then swing back just in time to be in the way of a driver going straight on.

In the argument over such an accident at a trial it is usually brought out that the arm signal, if any, was not seen—naturally, since the swing to the right may have concealed it.

The safest way, of course, is for the driver making a U-turn to look back and pause before starting to complete his U.

In a recent trial an attorney for an insurance company said there never was a traffic accident in which one driver or the other did not do something foolish. It is fortunate that all the foolish things done in driving do not result in accidents.

The stop signs recently suggested for all side streets leading into Campbell Avenue would make more definite the traffic liability. At present, most drivers entering Campbell Avenue from side streets proceed with caution, but technically they often have the right of way. Accidents under such circumstances naturally produce warm arguments.

Local stop signs are being watched closely by the Highway Patrol these days—or nights, rather. A Patrol car generally spends some time in Campbell every evening after dark. Citations

are numerous, and the usual fine is \$2. Arrests of this sort for April here far exceed those for April last year.

The arrested driver usually believes he has "stopped" enough, but he pays rather than stand trial. Then he generally decides that it pays to be more careful.

A total of 204,089 motor vehicles was registered from San Francisco in 1946.

More than 26 million cows on three-fourths of the nation's 5,877,000 farms produce milk.

Moreland Program For Next Week

Mrs. Gussie M. Baker, principal of Moreland Elementary school, announces plans for the observance of Public Schools Week, April 28 to May 2.

During this week, the school will welcome parents who wish to visit and observe the classes in session.

A program is also being planned to include selections by the school orchestra, musical numbers by members of the orchestra as well as short skits and plays by the different rooms.

All school patrons are invited to visit the school and observe work being done by the pupils and their teachers.

Harold Hughes, son of Mr. and Mrs. J. A. Hughes, transferred to Turlock, Calif. We all wish Harold the best of luck at his new school.

The foundation for our new school building is rapidly taking shape. It won't be long before actual construction begins.

Those who care to look at the architect's drawings may do so by dropping in at the school cafeteria any time.

Veterans' News

Veterans Administration is preparing to distribute a National Service Life Insurance dividend to nearly 15 million veterans as soon as its workload of current obligations to policy holders has been brought up to date.

Information explaining the dividend program, released this week by V. A., stressed that although veterans should be fully informed of the nature of their forthcoming dividends, they should not expect payments to be mailed for some time yet.

The amount of the dividend has not been determined, but it will apply to term policies as well as to converted policies and even lapsed policies.

Payments to individual veterans will vary greatly, for they are based on the amount and type of insurance the veteran has carried, the length of time he has held the policy, and his age at the time he took out his policy.

Because N S L I is mutual insurance, any surplus in the insurance fund belongs to those who contributed to the surplus by paying their premiums.

A surplus in the insurance fund is possible because in calculating premium rates it is necessary to make assumptions as to future mortality. When mortality is less than was assumed, as in the present case, savings arise which are refunded as dividends.

War casualties have no bearing on N S L I dividends, for all excess costs arising from the extra hazard of military or naval service are paid by the government from separate appropriations.

Question: I am drawing retirement pay at present. Can I receive subsistence allowance while going to school under the GI bill?

Answer: Yes. Retirement pay is not considered income from productive labor and therefore should not be included by the veteran in his estimate of earnings filed with the V. A.

Question: Will my 10 percent World War II disability compensation of \$13.80 be increased if I should marry?

Answer: No. Your compensation is based on the degree of disability, not on the number of dependents.

Question: I am an ex-WAC with an honorable discharge. I am contemplating marriage to a non-veteran and would like to know if I lose any of my rights under the GI bill?

Answer: No.

Cattlemen's Assn. To Meet April 26

President Jere W. Sheldon of Madrone, announces that the next quarterly meeting of the Santa Clara County Cattlemen's Association will be held Saturday, April 26, at the Hotel Millias in Gilroy. As usual, this will be a dinner meeting to which all members and anyone in the cattle industry, is invited.

Dr. J. P. Jacks of the Cutter Laboratories will show a new film produced by his company, entitled "Progress Made in the Cattle Industry". Their films in the past have been outstanding and the new film is no exception.

Assemblyman Jack Thompson will also be present and will outline the position of various bills now pending in the legislature that effect agriculture and the livestock business in particular.

RECEIVES SYMPATHY

Leland B. Jones is receiving the sympathy and condolences of his friends since the death of his mother, Mrs. Anna F. Strader, in San Jose last week.

Camp Fire Girls Give Party

The Campfire Girls of Ocowasin
showed exceptional ability in the
capacity of hostesses at their party
Saturday night at the Congrega-
tional church, according to their
leader, Mrs. William Henley.

Their program was opened with
a short address by their leader on
"The Importance of Campfire," al-
so calling their attention to the
exhibits of handicraft, birthday
project and businesscraft.

The program, arranged and an-
nounced by Jeannette Gomes, mu-
sical director for Ocowasin, in-
cluded the following: "Campfire
Lore Song" by the group; "Boat-
ing Song" by the group, accom-
panied by Miss Gomes; quartet,
"Ah, Lovely Meadows," Janis Hen-
ley, Glenelle Walton, Marilyn
Wheeler and Patty Powell, accom-
panied by Jeannette Gomes; cello
solo, Mardel Sanders accompanied
by Joyce Klassen.

Refreshments were made and
served by the girls, who also were
responsible for leaving the kitchen

County 4-H CLUB Activities

Eleven Santa Clara County 4-H
club members exhibited their beef
and swine at the Grand National
Junior Livestock Show at the Cow
Palace, which ended April 3.

These young farmers returned
to their homes after the show with
several blue ribbons and prizes
won. Among the top winners were
Don Kruse, Coyote club, whose
Angus steer was placed the No. 1
animal in his weight class. Other
Coyote members who had steers
in the show included Dwayne and
Phyllis Skelton, whose animals
were judged in the choice grade.

Other steers were exhibited by
Gene Carroll, of the Mission 4-H
club, and Bernice Boggs of the
Morgan Hill club, whose steers
were also judged as choice ani-
mals. Bernice's steer was the one
received from the San Francisco
Chamber of Commerce through the
Santa Clara County 4-H Club
Council.

4-H Club swine exhibitors at
the show included Arlen Kruse of
Coyote, whose Hampshire barrow
was graded choice; Burt and Keith
Malech of Coyote, who exhibited
a Chester White gilt and Duroc
Jersey barrow respectively. Peter
Thomas, member of Mountain 4-H
club in Alma, showed his Duroc
Jersey gilt which was judged as a
choice animal in its weight class.
All of these animals raised by San-
ta Clara County club members
were sold at the Auction Sale held
as a closing event of the Grand
National Junior Livestock Show
on Wednesday evening.

BURT MALECH RATES HIGH AS JUDGE

Burt Malech, 4-H club member
of the Coyote club, was rated as
one of the ten best judges of live-
stock at the Cow Palace show. He
entered the livestock judging con-
test held as a feature of the show.
Malech was placed as the 7th best
4-H club swine judge, and also
placed 7th in the sheep judging
contest. On the two classes of beef
that were judged by these young
farmers Malech was rated high.
During the judging contest the
contestants were required to place
two classes of beef, one of swine
and one of sheep, and then be
ready to give their reasons for
placing the animals as they did.

Young Malech is in his sec-
ond year of 4-H club work, and
is 15 years of age. The Coyote club
was organized in November 1945
under the leadership of Roland
Ramelli, well known Coyote stock-
man. Malech had as his first 4-H
club project a fat lamb which
he raised, showed and auctioned
at the Santa Clara County Fair
last fall. He is continuing his sheep
project in addition to a swine
project this year. During his 4-H club
experience he has been active in
his local club's activities. He re-
presented the club at the 4-H club
convention at the College of Agri-
culture at Davis last September.

Among the Santa Clara County
club exhibitors at the Cow Palace
who entered the judging contest
was Peter Thomas, member of
the Mountain 4-H club at Alma.
Young Thomas scored 4th in the
swine judging contest.

Santa Clara County 4-H clubs
were well represented at the Grand
National Junior Livestock show.
In addition to the 11 exhibitors
who had animals on display at
the Junior Show, other 4-H club-
bers, parents and friends attended.
Some of the clubs were Morgan
Hill, Paradise Valley, Madrone, Co-
vote, Mission, Almaden, Adams,
Jefferson and Palo Alto clubs.

The Madrone 4-H club money
raising event was brought to a
successful completion last week

with the drawing for the blanket,
which the club members raffled for
their money raising activity. Also
this club held a scrap drive and
old battery collection. Walter
Walsh was chairman of this event
and was assisted by the members.
Parents assisting were Mrs. C. Rol-
la, Mrs. D. Fantozzi and Mrs. Leo-
la Dunning, clothing leader for the
girls' club. Jack Sebben is agricul-
tural project leader as well as
local leader for the club.

Come!
SEE AN ACTUAL DEMONSTRATION
OF THE ONE-AND-ONLY
BENDIX!

OF course you'll want to
see this marvelous new
BENDIX. Every woman
does. And now you can see
it, today! There's a new
BENDIX here in our store
—in actual operation. Come
and see it do a full washing.
Watch how it washes, rinses,
damp-dries, cleans and em-
pties itself and shuts off—all
at the mere setting of a dial
—and without your even
wetting your hands. But
come soon, if you want to
help us serve you quickly.

EXCLUSIVE
TUMBLE ACTION:
tumbles clothes through
suds 40 times a min-
ute, yet so gently that
even fine fabrics laun-
der beautifully.

What you do: put in clothes, set a
dial, add soap.
What the BENDIX does: and
itself, tumbles clothes clean, thoroughly
tumble rinses, dries clothes ready for the
line or dryer, cleans and empties itself, and
shuts off—all automatically! The Bendix
takes only 4 square feet of floor space—fits
perfectly in kitchen, bathroom, utility
room or laundry.

Where Does The Telephone Strike Stand Today

Because you, as a telephone user, have an important stake in the issues, we'd like to give some straight answers to questions you may have about the strike situation to date.

1. Why is there a telephone strike?

The unions made large demands. We could not agree to these demands but offered to extend contracts while bargaining continued. But the unions refused. We then offered to arbitrate the basic issue, wages. The union again refused and went out on strike.

2. What are the unions demanding?

They are demanding scores of changes in contracts which would, if granted amount to an increase of more than \$100,000,000 a year in the cost of telephone service. This amount is five times our 1946 earnings. It would make our payroll alone larger than all the money we took in last year.

3. What do these demands mean to telephone users?

The union demands equal \$45 per year added to each telephone bill—a 40 per cent increase in all telephone rates.

4. How well are telephone employees paid now?

Studies show telephone wages are in line with those paid for other jobs on the coast requiring similar skill and training—telephone wage rates now average 58 per cent above the 1941 level. Here are typical examples:

Operators—Even a girl right out of school starts at a basic rate of \$30 a week while learning—in small towns, \$28 to \$29. Actual earnings are higher due to overtime and premium pay. There are frequent pay raises too. At the end of the first year the new operator can be earning over \$1900 a year. A supervising operator can earn over \$2700 per year working a 5-day week.

Plant Maintenance Men—Actual earnings of many experienced men last year were more than \$5000. The basic rate for inexperienced men is \$34 at the start and scales up to \$72. Overtime and premium pay are in addition.

5. What other benefits do employees get?

Among other extra advantages are paid vacations up to three weeks depending on length of service . . . holidays with pay . . . sickness and death benefits . . . pensions . . . good working conditions. . . . And telephone work is steady work . . . the kind a person can count on.

6. Why can't the company agree to union demands?

Wages and other costs of service are paid by the people who use the telephone. We can't give blanket agreement to the unions' huge demands because we cannot justify them to our customers who pay the bill.

7. How has the company tried to end the strike?

We wanted to extend the liberal working contracts while bargaining continued. But the unions refused. We repeatedly offered to submit the wage question . . . the basic issue . . . to arbitration. But the unions continue to refuse. We have offered the unions a practical plan to settle the strike . . . a plan that is fair equally to our employees, investors and customers.

8. When will the strike be over?

We don't know. But we believe that no matter how long the strike lasts, it is in the public interest to face it rather than to capitulate to the unions' huge demands which would require large increases in telephone rates.

Meanwhile we will continue to do our best to handle your calls. Calls from dial to dial telephones, which make up the bulk of calls in many cities, are completed without interruption. Many calls which require the service of an operator are also being completed.

Many telephone company people are working days and nights on strenuous shifts to keep service going. They have been joined by many others who put the public interest first. We appreciate this loyalty.

We wish to thank the public for their helpful cooperation during this troublesome period.

The public interest must come first

The Pacific Telephone and Telegraph Company

Mrs. Grim New Country Woman's Club President

The annual meeting of the Country Woman's Club of Campbell was held April 21. The following members were elected to the board of directors and they named the following to serve as officers for the coming year:

President, Mrs. I. H. Grim; first vice president, Mrs. F. A. Jacobson; second vice president, Mrs. J. M. Dahl; treasurer, Mrs. C. E.

Hancock; recording secretary, Mrs. Dean Chamberlain; corresponding secretary, Mrs. D. A. Sanders; parliamentarian, Mrs. H. F. Cousins; directors-at-large, Mrs. L. Hill and Mrs. F. A. Coombs.

Mrs. Jeffers requested that all new addresses be in to her by May 1 so that they may be correctly listed in the new program book.

Blood Donor Day for the club will be held early in May. Mrs. Dave Sanders is in charge.

REBEKAH SPONSOR CARD PARTY

Ada Rebekah Lodge will sponsor a card party on Saturday evening, April 26, at 8 o'clock in the IOOF hall in Campbell. Helen Rice, chairman of the committee, promises an enjoyable time and an abundance of valuable prizes. The public is cordially invited. Refreshments will be served.

Social and Club Notes.. around Campbell

Afternoon Rites Unite Young Couple

One of the loveliest weddings of this spring took place Sunday afternoon at the Congregational church in Campbell when Miss Dorothy Burnett, daughter of Mr. and Mrs. William Burnett, became the bride of Mr. Neal Thomson, son of Mr. Leland Thomson of Los Gatos and the late Mrs. Thomson.

Decorated by Mrs. Emily Duncan, the church was fragrant with the odors of syringa and lilies. The wedding ceremony was read by the Rev. Robert Carlson before an altar profuse with tulips and ranunculae.

Given in marriage by her father, the bride wore a charming wedding gown of white satin and chiffon with a long train. A small Dutch cap of seed pearls held in place her fingertip veil. Her wedding bouquet was composed of white carnations, white sweetpeas and yellow baby orchids.

Miss Margaret Champion of San Jose was the bride's only attendant. She was gowned in pale blue jersey and carried a French bouquet of pastel sweetpeas.

The bride's brother, Richard Burnett, performed the duties of best man and ushers were the bridegroom's cousin, Boyd Rappe of Campbell, and the bride's cousin, George Newberry of Oakland.

Preceding the ceremony, Miss Ruth Champion of San Jose sang "Always," accompanied by Mrs. David Sanders at the organ.

More than 80 guests attended the reception held in the church parlors. Assisting in serving were Mr. and Mrs. Fred James, Mr. and Mrs. Claude Block, Mrs. Ray Wood, Mrs. Jenny Davidson and Mrs. J. Vick. The new Mrs. Thomson cut the three-tiered wedding cake with her grandmother's heirloom silver cake knife.

For the occasion the bride's mother was attired in a black and white sheer frock complemented by a corsage of white carnations.

In addition to members of the wedding party, out of town guests included Mr. and Mrs. F. W. Linton of Modesto, Mrs. N. C. Mitchell of Santa Cruz, Mr. and Mrs. G. Hamptonson of San Francisco, Mr. and Mrs. Richard Huggard, Mrs. Evelyn Cline and her daughter, Dorothy, all of Redwood City, Mrs. Eloise Wong of Los Angeles, Mr. and Mrs. E. Todd of Aromas, Mr. Jack Tucker of Oakland, the bride's brother-in-law and sister, Mr. and Mrs. R. C. Allen of Orcutt, another sister, Miss Eunice Burnett of Berkeley, and the bride's cousins, Mr. and Mrs. Edwin Newberry and Miss Loretta Newberry, all of Oakland.

For her going-away costume the bride chose a gray suit with black accessories. With this she wore a corsage of baby orchids.

After a wedding trip to the coast, the newlyweds will make their home in Campbell.

CHURCH GROUP WEEK-ENDS IN SANTA CRUZ MOUNTAINS

The newly elected officers of the high school Pilgrim Fellowship of the Congregational church will spend the week-end at Miss Dorothy Merriman's cabin in the Santa Cruz mountains. Making the trip will be Charles Cutting, Shirley Goodell, Audrey Berglund, Lorraine Wood, Barbara Hollingshead, Beverly Jensen, Jack Garner, Miss Dorothy Merriman, Mr. and Mrs. Claude Block and Mr. Robert Carlson. The purpose of the week-end retreat is to plan the program of the Campbell Pilgrim Fellowship.

SERVES ON COMMITTEE

Merritt Rice of Campbell is one of the valley chairmen appointed to serve on the Community Service Hospital drive. He met with other leaders for a dinner meeting last evening at the Hotel De Anza.

VISITS FROM LOS ANGELES

Mrs. Harry La Mar of Los Angeles plans to leave Saturday after an extended visit with her parents, Mr. and Mrs. Stanley Smith.

SEWING CIRCLE MEETS

Sequoia Sewing Circle, affiliated with Netops Council, Degree of Pocahontas, met for its regular meeting in the teepee of Blanche Gilpatrick, Thursday evening, April 17. After a short business session conducted by the president, Mary Gray, the members busied themselves with sewing. Later refreshments were served.

WEDDING VOWS ARE EXCHANGED

A wedding of interest to Campbell people took place Sunday afternoon at four o'clock in the Emanuel Lutheran Church in San Jose when Miss Anna Jane Nelson, daughter of Mrs. Anna G. Nelson, of San Jose, became Mrs. Roy Anderson.

White lilies marked the pews and formed the altar decorations before which the Rev. N. Marshall performed the double ring ceremony. Before the rites were read the bride's brother, Mr. Lloyd Nelson, sang "At Dawning," "Because" and "The Lord's Prayer." Mrs. Lucile Gans was at the organ.

Milton Nelson, brother of the bride, gave her in marriage.

Miss Nelson wore a traditional bride's gown of white satin with a train and veil. In her hands she carried a prayer book and an orchid. Attending her was her cousin, Miss Ruth Nelson of San Jose, who was attired in a powder blue gown and carried red roses fashioned in the shape of a heart.

The best man was the bridegroom's brother, Carl V. Anderson

Nunes Family Given Farewell

In honor of Mr. and Mrs. Carl Nunes and their two sons, Carl, Jr. and Lionel, of Winchester Road who are leaving soon for a visit in the Azores Islands, their many friends entertained for them with a farewell party last Saturday evening at St. Lucy's hall. An evening of games, cards and refreshments was climaxed by presentation of a farewell gift.

STAR CIRCLE TO MEET

Members of the Star Circle will meet tomorrow afternoon, April 25, in the Patio of The What Not. In charge of arrangements are Mrs. Marie Suess, Mrs. Ellen Tutt, Mrs. Laurence Hill and Mrs. D. H. Cramer.

GETS MARRIAGE LICENSE

A marriage license was issued recently to Frank Waltrip, 52, and Alice E. Waltrip, 48, both of Campbell.

Mothers Design Costumes

A pot-luck luncheon was held last Tuesday at the home of Mrs. J. R. Longfellow when mothers of the Blue Fairies met to fashion costumes for the coming Bluebird Festival. In addition to the leader, Mrs. Don Watts, mothers who attended were the Mesdames John Perata, H. E. Hansen, Pearl Holt, Jack Murdock, Mike Stepovitch, Anna E. Reagle, V. L. Minehart, Boyd Rappe and R. Markham.

CELEBRATES BIRTHDAY

A quiet family dinner at home celebrated Mr. C. C. Smith's birthday last Monday evening.

Midget auto racing, the thrilling
sport that attracted better than
60,000 fans to the San Jose Speed-
way stadium during its run last
year, makes its 1947 debut at the
Tully Road oval Thursday night
with a full program of 11 events.

Promoters Ross Page and Larry
Sunseri, expecting a record turn-
out of both fans and drivers, have
guaranteed auto jockeys a mini-
mum purse of \$1500. Cars and
drivers will again be furnished by
the Bayshore Racing Association.

With Freddy Agabashian, who
held a one-man monopoly most of
last season, unable to compete un-
til after the 500 mile Memorial
Day race at Indianapolis, it looms
as a free-for-all between the driv-
ers for the track championship.

Agabashian will pilot Ross
Page's "Page Special" in the big
Indianapolis race, a car which fin-
ished in 11th place in the 500-mile
grind last year, and a rule govern-
ing all entries says they will not
enter other races prior to the big
event.

Ed Normi, the ex-army air corps
pilot and flying instructor from
Petaluma, is slated to drive Jack
London's new car, No. IX. London
also owns No. 2X, the iron steed
made famous here last year by
Agabashian.

Page and Sunseri have announc-
ed that the feature race will again
be 25 laps, supported by the 15-
lap semi-main, two six-lap semi-
finals, five five-lap heat races, a
three-lap trophy dash, and the
qualifying trials.

COL. MCBRIDE'S S.S. CLASS HAS COLORADO DAY

Are you a Rocky Mountaineer?
Col. McBride's Sunday School class
at the Methodist church, next Sun-
day, will hold Colorado Day, hon-
oring all those present from the
state of Colorado. Last Sunday,
"Penn-day" was well attended.
Rev. Osborne, a native of that
state, gave a brief history.

Karnival Day Plans Ready

Plans are in final stage of com-
pletion for the "Karnival Day" to
be given this Sunday at the Jugo-
slav Napredak Auditorium on
Lawrence Road in Cupertino by
the Jugoslav Napredak club and
Juniors.

The entire proceeds will be used
for the purchase of two or more
"jeeps" complete with medical
supplies to aid the sick and needy
in the more isolated spots in war-
torn Yugoslavia.

Food will be served during the
day and evening at some of the
many concessions planned. Music
and dancing will be given by the
newly organized "kolo" group
(folk-dance) as special attractions
during the day and evening. There
will be dancing for everyone, in-
cluding modern dancing, and folk
dancing with music by the accord-
ion and lirica, a national instru-
ment of Yugoslavia.

Everyone is invited to attend the
Karnival. It will start at 2 p.m.
and continue until midnight.

Where To Go- What To See- What To Do

Hear that whisper in your ear?
Well before it becomes a shout,
maybe you'd better answer the
"call of the wild!" Just one whiff
of the fresh spring air won't do.
Better get out of doors and take
a trip this week-end.

The Travel and Recreation com-
mittee of the California State
Chamber of Commerce reports
more than twenty events sched-
uled for the April 25-27 week-end.

Fiestas, rodeos, outdoor drama,
sports shows, horse shows, a ten-
nis tournament are only a few in
the line-up. More than one will
doubtless seem irresistible, but no
matter which one becomes your
goal, you'll be glad you went!

Eureka—Hobby show, April 25-
27.

Napa—Spring Horse Show, 27th.
Oakland—California Spring
Garden Show, April 29-May 4.

San Francisco—San Francisco
Travel, Sports and Boat Show, Ap-
ril 25-May 4.

Clements—Clements Buckaroos
Annual Stampede & Horse Show,
April 27.

Chowchilla—Chowchilla Junior
Fair, April 26-28.

Clovis—Clovis Annual Rodeo,
April 26-27.

Lone Pine—Annual Stampede,
April 26-27.

Saugus—Rodeo, April 25-26.

Newport Harbor—Yacht races
Newport Harbor Yacht Club, 27th.

Huntington Beach—Formal op-
ening of Hot Salt Water Plunge,
April 26.

Santa Barbara—Santa Barbara
Relays, April 26.

Ojai—Tennis Tournament, 24-26.

San Gabriel—Craven's Trophy
Golf Tournament, April 24-27.

Hemet—"Ramona" outdoor pa-
geant-play, April 26-27 (2nd of 3
week-ends).

Chino—Rancho Ride, April 27.

Claremont—"Ysidro" drama,
April 23-26 (Padua Hills Theatre).

Corona—Spring Fiesta & Lem-
on Festival, April 25-27.

San Diego—Sixth Annual Bar-
O Horse Show, April 26-27.

San Diego—Yellowtail Fishing
Derby, April 1-August 30.

San Diego—National Boat Show
April 19-27.

There's horse racing at Tanfor-
an, rhododendrons are on display
in Golden Gate Park, and lupine
and poppy are blooming in mild
abundance up the north coast.

The center of the San Fran-
cisco peninsula is a crescent-shap-
ed range of hills.

LEGALS

NOTICE OF ADOPTION OF RESOLUTION OF INTENTION TO DEDICATE REAL PROPERTY, AND OF TIME AND PLACE FOR HEARING THEREON.

IT IS HEREBY RESOLVED, ORDERED AND DECLARED by the Board of Trustees of the Campbell Union School District of Santa Clara County, State of California, as follows:

That it is the intention of said Board of Trustees to dedicate the parcels of real property, and each of them, hereafter described to the County of Santa Clara, State of California, for public street and highway purposes;

That no consideration shall be given or paid by said County of Santa Clara for the property proposed to be dedicated;

That said parcels of real property, and each of them, are situated in the County of Santa Clara, State of California, and more particularly as follows, to-wit:

PARCEL ONE

Lying in the Rancho Rinconada de Los Gatos and being a part of that certain parcel of land conveyed by L. H. Miller et al, to Campbell Union Grammar School District, File No. 433684 of the Official Records of Santa Clara County, California, and being a strip of land 50 feet wide, 25 feet on each side of the following described center line: Beginning at a point in the center line of Pollard Road from which a Railroad spike in the center line of Pollard Road at the common corner of the lands of said Campbell Union Grammar School District and Art and Agnes Wagner bears N. 86 degrees 07' E. 25.03 feet, running thence N. 1 degree 05' W. parallel to and distant 25' westerly of the easterly line of said land of said school district 522.72 feet; thence leaving said line parallel to the easterly line of said land of said School District and running on a curve to the left with a radius of 1500 feet; through an angle of 6 degrees 38' for a distance of 173.66 feet; thence N. 7 degrees 43' W. 246.90 feet; thence on a curve to the right with a radius of 500 feet, through an angle of 22 degrees 05' for a distance of 192.71 feet; thence N. 14 degrees 22' E. 150.92 feet to the center line of Alameda Avenue from which a 3/4 inch pipe at the northwest corner of Tract No. 89, Rinconada Gardens as recorded in Book 3 of Maps, page 59 of said Official Records bears N. 85 degrees, 45' E. 40.76 feet and N. 0 degrees 01' W. 10.08 feet.

PARCEL TWO

Beginning at a 2"x2" stake at the common corner for Lots No. 9 and 10 of Tract No. 311, Vista De Las Montanas, as recorded in Book 10 of Maps, page 44 and 45 of the Official Records of Santa Clara County, California, in the easterly line of that certain parcel of land conveyed by L. H. Miller, et al, to Campbell Union Grammar School District, File No. 433684, of said Official Records; thence northerly along said easterly line of Campbell Union Grammar School District lands N. 5 degrees 51' W. 31.40 feet; thence leaving said easterly line and running N. 78 degrees 41' W. 38.65 feet to the easterly line of Parcel No. 1 of the here-in described lands; thence along the easterly line of said Parcel No. 1 S. 7 degrees 43' E. 63.46 feet; thence leaving said easterly line of Parcel No. 1 and running S. 78 degrees 41' E. 36.49 feet to the westerly line of said Lot No. 10 of said Tract No. 311; thence N. 5 degrees 51' W. 31.40 feet to the point of beginning and being a part of said lands so conveyed to Campbell Union Grammar School District.

PARCEL THREE

Being a part of the lands conveyed to the Campbell Union Grammar School District, by L. H. Miller, et al, File No. 433684 of the County of Santa Clara, California, which is to be used for road purposes.

Beginning at a 3/4" pipe in the easterly line of the lands of said Campbell Union Grammar School, said pipe being also the common corner of the lands of Clarence Wood and Tract No. 89, Rinconada Gardens, as recorded in Map Book 3, at page 59, of said Official Records, and running thence from said point of beginning along the line between the lands of Clarence Wood and the Campbell Union Grammar School N. 0 degrees 00' 50" W. 3.95 feet to a 3/4" pipe; thence N. 8 degrees 19' E. 16.66 feet to a 3/4" pipe; thence leaving said dividing line and running thence S. 82 degrees 55' 30" W. 4.25 feet; thence on a curve to the right through an angle of 21 degrees 44' 30" with a radius of 420 feet for a distance of 159.37 feet; thence N. 75 degrees 20' 0" W. 88.92 feet; thence on a curve to the left with a radius of 480 feet through an angle of 7 degrees 35' 10" for a distance of 63.55 feet to a 3/4" pipe in the line between the lands of said Campbell Union Grammar School District and the lands of Arma E. Teague, et al; thence running along the line between Campbell Union Grammar School District on the southeast, and the lands of Arma E. Teague, et al, and Frank and Irene Archer on the northwest, S. 76 degrees 43' W. 202.26 feet to a 3/4" pipe at the common corner to lands of Campbell Union Grammar School District and J. P. and Ruth Klassen; thence along the line between lands of last named parties S. 4 degrees 54' W. 31.53 feet to a point; thence leaving said di-

viding line and running N. 76 degrees 43' E. 45.08 feet to a point; thence on a curve to the right through an angle of 27 degrees 57" with a radius of 420 feet for a distance of 204.88 feet; thence S. 75 degrees 20' 00" E. 88.92 feet to a point; thence on a curve to the left through an angle of 21 degrees 4' 15" with a radius of 480 feet for a distance of 176.52 feet to a point in the westerly line of Tract No. 89, Rinconada Gardens; thence along said line N. 0 degrees 00' 50" W. 40.31 feet to the place of beginning.

ter of Section 23, T. 7 S.R. 1 W. M.D.B.&M. and being a part of the land conveyed to the Campbell Union School District by May E. Uirici by deed recorded (File No. 430994) on Oct. 31, 1946, in the Official Records of Santa Clara County, California, more particularly described as follows:

Beginning at a 3/4" pipe "B-5" standing at the point of intersection of the southerly line of Moorpark Avenue with the line between Lots 1 and 2 of the Gruwell Subdivision recorded in Map Book B, at page 10 of said Official Records and running thence along the line between Lots 1 and 2 S. 0 degrees 08' E. 198.05 feet to a 1 1/2" iron bar in the north line of Lot 4 of said Gruwell Subdivision; thence along the north line of said Lot 4 S. 89 degrees 49' W. 145.75 feet to a point in the northerly prolongation of the westerly line of Thornton Way as said street is shown upon the map of Tract No. 127, Douglas Manor Addition, recorded in Map Book 4, at page 34, of said Official Records and from which a 3/4" pipe at the southwest corner of Lot 1 of the Gruwell Subdivision bears S. 89 degrees 49' W. 183.25 feet; thence N. 0 degrees 20' W. 60 feet along the northerly prolongation of Thornton Way to a point which is 60 feet measured at right angles from the line between Lots 1 and 4 of said Gruwell Subdivision; thence N. 89 degrees 49' E. 115.98 feet parallel to the south line of said Lot 1 to a point distant 30 feet measured at right angles from the line between Lots 1 and 2 of the Gruwell Subdivision; thence parallel to and distant 30 feet measured at right angles from said line between Lots 1 and 2 N. 0 degrees 08' W. 192.05 feet to the southerly line of Moorpark Avenue; thence along said southerly line N. 89 degrees 51' E. 30 feet to the place of beginning.

IT IS FURTHER RESOLVED AND ORDERED that notice of the 8th day of May, 1947, at the hour of 8:00 o'clock P.M. of said day, at the regular meeting place of said Board at the Campbell Union Grammar School in the City of Campbell, County of Santa Clara, State of California, is designated as the time and place for a public hearing upon the matter of the intention to dedicate said parcels of real property, and each of them.

IT IS FURTHER RESOLVED AND ORDERED that notice of the adoption of the Resolution of Intention and of the time and place of the hearing of said proposed dedication be given by posting notices thereof in three public places in the district, to-wit: One at Delavan's Market, Basile and Bascom, San Jose, California. One at Campbell Union Grammar School, Campbell, California. One at Big Boy Store, Hacienda and San Tomas, Campbell, Calif. at least ten (10) days before the date of said meeting, and by publishing said notice once not less than five (5) days before the time of said meeting in The Campbell Press, a newspaper of general circulation published in the Campbell Union School District.

PASSED by the Board of Trustees of said Campbell Union School District this 15th day of April 1947, by the following vote:

AYES: Trustees Gardner, Porter, Williams, Trowbridge and Farnham.

NOES: Trustees, none.

ABSENT: Trustees, none.

Lloyd Gardner, W. R. Porter, Walter W. Williams, Ross C. Trowbridge, E. L. Farnham,

Board of Trustees of the Campbell Union School District of Santa Clara County, California.

FARM NEWS

AGRICULTURAL EXTENSION SERVICE

DAIRY PRODUCTION:

California dairymen are continually seeking ways and means to increase production by better herd management, careful selection of replacement heifers and efficient use of high cost feeds. Milk production is entirely dependent upon the inherent ability of the individual dairy cow, and she gains this high production factor from her sire and dam. A well selected herd bull will bring many dollars to the dairyman as he will increase production through his daughters over their dams. Each dairyman seeking to purchase herd sire is urged to check his production background through his dam and sire, and further on back also.

Though the Herd Improvement Associations bulls can be proved out and a bull is considered proven when five daughters records can be compared with their dams.

A recent report shows three California bulls have just been proven and these fall in three levels of production. One, four-hundred pounds of fat; second, four-hundred and seventy-five pounds of fat and the highest, third, five-hundred seventy-five pounds of fat production. A proven bull may not have the conformation and the type desired by some dairymen-meaning, he may transmit pendulous udders, weak hind quarters, or weak narrow heart girth. Therefore, dairymen must check production record, conformation and type to have an all around good dairy sire. Complete records of the D. H. I. A. are on file at the Agricultural Extension Service covering all dairy blood lines that have been proven to U. S. D. A. These are for the use of dairymen and the Extension

NOTICE OF HEARING

NOTICE IS HEREBY GIVEN that the County Planning Commission of the County of Santa Clara, State of California, did, by a resolution of said Commission adopted on the 16th day of April, 1947, propose certain amendments to the Zoning Ordinance, Ordinance No. 120 of the County of Santa Clara, and did declare it to be its intention to consider said proposed amendments in the manner provided by law, which proposed amendments are as follows:

To amend Sectional District 10-m of the Third Unit of the Zoning Plan to reclassify certain property from an R-1 (one family residential) zone to an R-3 (multiple residential) zone, said property being located on the northerly side of Moorpark Avenue approximately 900 feet west of the San Jose-Los Gatos Highway.

NOTICE IS HEREBY FURTHER GIVEN that the Commission did set certain times and places for public hearings on said proposed amendments at which times and places any and all persons interested in said proposed amendments may appear and be heard thereon, which times and places are as follows, to-wit:

At the hour of 11:30 A.M. on the 7th day of May, 1947, in the Board of Supervisors Chambers at the Court House, San Jose, California.

At the hour of 11:30 A.M. on the 4th day of June, 1947, in the Board of Supervisors Chambers at the Court House, San Jose, California.

SANTA CLARA COUNTY PLANNING COMMISSION, NESTOR BARRETT, Secretary.

April 24; May 15

NOTICE OF HEARING

NOTICE IS HEREBY GIVEN that the County Planning Commission of the County of Santa Clara, State of California, did, by a resolution of said Commission adopted on the 16th day of April, 1947, propose certain amendments to the Zoning Ordinance, Ordinance No. 120 of the County of Santa Clara, and did declare it to be its intention to consider said proposed amendments in the manner provided by law, which proposed amendments are as follows:

To amend Sectional District 10-ap of the Sixteenth Unit of the Zoning Plan, which is designated as Section 9-n of Ordinance No. 120, to reclassify certain property from R-1-B-D (one family residential) zone to a C-2 (commercial) zone, said property being located on the northeasterly corner of the intersection of Harriet and Pollard Avenues.

NOTICE IS HEREBY FURTHER GIVEN that the Commission did set certain times and places for public hearings on said proposed amendments at which times and places any and all persons interested in said proposed amendments may appear and be heard thereon, which times and places are as follows, to-wit:

At the hour of 10:45 A.M. on the 7th day of May, 1947, in the Board of Supervisors Chambers at the Court House, San Jose, California.

At the hour of 10:45 A.M. on the 4th day of June, 1947, in the Board of Supervisors Chambers at the Court House, San Jose, California.

SANTA CLARA COUNTY PLANNING COMMISSION, NESTOR BARRETT, Secretary.

April 24; May 15

Service encourages them to use them in their quest for better bulls. Complete information and assistance will be given by M. S. Beckley, Assistance Farm Advisor.

QUICK ACTION URGED ON SEWAGE DISTRICT

Immediate action in formation of a Santa Clara County Sanitation District was urged tonight in Santa Clara as more than two dozen representatives of the County and various cities met to discuss the county-wide sewage disposal program.

On suggestion of Don Remoel, city engineer of Los Gatos and Alviso, the group agreed to meet again May 12, after all had studied the sewage disposal report.

The meeting was called by the Santa Clara City Board of Trustees, Dean Geo. L. Sullivan, University of Santa Clara, one of the compilers of the county-wide sewage report, explained the disposal program.

Seven Districts

The report involves division of the county into seven districts.

Residents of each district would be assessed so much per \$100 assessed valuation to pay cost of installing trunk lines to a Central treatment plant. Recommended location for the treatment plant is about two or three miles north-east of Alviso.

Asked how best to "start the ball rolling" on creation of a Sanitation District, Sullivan said the Board of Supervisors could initiate formation of the district.

He recommended Mayors and City Engineers of incorporated areas involved in the survey meet with representatives of various Sanitary Boards and appear before the Supervisors to urge such an initiative.

County's Share

Dean Sullivan pointed out that Santa Clara County's share of the State \$90,000,000 surplus fund amounted to \$712,000. "This may be spent by the Supervisors for a specific purpose on which the State must pass approval," he said.

Sullivan added that Sewage Disposal was the number one item on the State's list for use of such funds.

E. O. Wool, chairman of the Board of Supervisors, said he felt those funds should be used for construction of County buildings.

He said that since Palo Alto and Gilroy, also important members of the County, were not included in the sewage disposal plan because they have their own treatment plants, the \$712,000 should be used for something beneficial to all the County.

Mayor James R. Bacigalupi of Santa Clara retorted that Santa Clara was "desperately in need" of more adequate sewage disposal. He urged use of the funds for the sewage program.

Representatives of Agnew, Campbell and Los Gatos also indicated approval of Bacigalupi's suggestion.

Dean Sullivan said that the minimum time required for creation of the proposed district, provided there were no protests, was approximately 120 days.

He pointed out two alternatives: 1. San Jose, which now has a 60-inch sewer main to Alviso, could contract with other communities to use the San Jose main.

2. City of San Jose could build the proposed treatment plant and rent its facilities to other towns.

Both of these methods, he said, were unsatisfactory on the basis of past experiments in both programs attempted by other cities.

He recommended that communities install their own trunk lines and permit sewage outfall into the San Francisco Bay until such time as a treatment plant be built.

Box Office Reporter

One of the most powerful and suspense-packed pictures ever filmed makes its appearance this week at the Campbell Theater with the showing of "Rage in Heaven," co-starring Ingrid Bergman and Robert Montgomery.

This picture, adapted from the novel by James Hilton, author of "Goodbye, Mr. Chips" and "Lost Horizon," is memorable as being the most thrilling "perfect crime" story ever brought to the screen.

Montgomery plays a handsome, intelligent but emotionally unbalanced young man, who weds a beautiful girl only to drive himself to reckless acts by his belief that she loves his best friend. This is the background for his plotting a crime so flawless that it will send his friend to the hangman and rid him of a rival. In a climax that will have you on the edge of your seat, his cleverness proves his undoing, and in the picture's final scenes Hilton again proves himself a master of unusual twists of plot that sustain their excitement to the last fadeout.

Miss Bergman, who recently scored outstanding successes in such pictures as "Notorious," "Spellbound," "Saratoga Trunk" and "The Bells of St. Mary's," gives a brilliant performance as the wife faithful to her husband but terrorized by the realization that he is slowly going mad as the result of his fixation. Montgomery gives an understanding and absorbing study of a weakening driven to insane jealousy by the belief that his wife loves his best friend, and Sanders is perfectly cast as the friend. Others worthy of mention in an exceptional cast include Lucile Watson as Montgomery's mother, Oscar Homolka and Philip Merivale.

Guests were present from Los Gatos, including Worthy Matron, Mrs. Lorine Lloyd, who was given honors and escorted to the East. The occasion was "Men's Night" and "The Sea Beach" was chosen as their theme. The hall was so generously decorated with life-size pictures of fish that the members were afraid they had entered an aquarium by mistake!

After chapter, the men put on some amusing skits before adjourning to the dining room, which resembled the "board walk." Long tables were devoted to games, while the barkers "sold" hot dogs, coffee and ice cream. As the members and guests wended their way home, they had the impression that they had spent a week-end at Santa Cruz.

Milk and its products comprise around 25 per cent of the foods estimated to be consumed annually by the average American.

DO YOU HAVE A Dental Problem?

Mouths with little or no lower ridge, formerly considered difficult, are now being fitted by the dental profession with the aid of a standardized double impression technique. Drop in and we will show you the difference between the new and old type lower.

DR. JAY JACKSON, 85 South First St., San Jose, Calif.

Both of these methods, he said, were unsatisfactory on the basis of past experiments in both programs attempted by other cities.

He recommended that communities install their own trunk lines and permit sewage outfall into the San Francisco Bay until such time as a treatment plant be built.

Representatives of Agnew, Campbell and Los Gatos also indicated approval of Bacigalupi's suggestion.

ADEQUATE WIRING IN THE KITCHEN MAKES CERTAIN YOU HAVE AN OUTLET HANDY FOR EACH APPLIANCE

It pays to be fussy when you set out to plan a new home kitchen or to remodel an old one. You will want a truly Automatic Range with precise cooking controls and a spacious Refrigerator or one of the new Home Freezers. Plan, too, to have space for one of the "automagical" electric dishwashers. Study and really understand the electric wiring system in your kitchen. Are the switches handy? Is there good lighting overhead, at the sink and under cabinets? Are there plenty of plug-in outlets? The time is coming soon when you can equip your kitchen completely. So plan and budget now for your ideal, dream kitchen.

Odd Fellows Activities

Morning Light Lodge No. 42, Independent Order of Odd Fellows, met last Thursday night. Charles Livingston, Noble Grand, presided.

Much interest is being shown in the big doings to be held at Grand Lodge in San Francisco early in May. Several candidates will be ready for the initiatory degrees.

The unusual honor being given the district in conferring this degree has created much enthusiasm among members of the degree team, all past district deputies, and masters from the lodges of Campbell, Los Gatos and San Jose.

The finals of the district pedro tournament were held at Cupertino last Friday night. The winning lodge was Cupertino and plans are being made to reward the winner with a dinner by the losers.

Walter Silberbauer, newly elected District Grand Master, is busy assembling his installation team and training the members for the ceremonies which are held semi-annually at the installation of the officers in his district.

It is also planned to have a celebration and party at San Jose in May when Silberbauer will be officially received as the new deputy.

The lodge rooms in Campbell are to be re-decorated next week and it will be a pleasant surprise for the members of other lodges of Campbell who meet in the hall to find it all shiny with new paint.

It is also noted that the Rebekah lodge which is closely affiliated with the Odd Fellows, will have a public card party this Saturday evening at the Campbell hall. There will be prizes and a good time is assured.

SURPRISE VISIT

Mr. and Mrs. Walter Krohn surprised Mrs. Krohn's mother, Mrs. Edna Smith, with a visit Monday. They returned to San Francisco on Tuesday.

HAS OPERATION

Master Roderick Hinman, small grandson of Dr. and Mrs. A. B. Townsend, underwent a surgical operation at Stanford Lane hospital in San Francisco last week. He is reported recovering satisfactorily.

The Vatican Library in Rome was founded during 1447.

"I'm going downtown—may I have my weekly PITTANCE?"

HOSTESS FOR BRIDGE GROUP
